

Pixel Test Beam Trigger Counter Plateaus

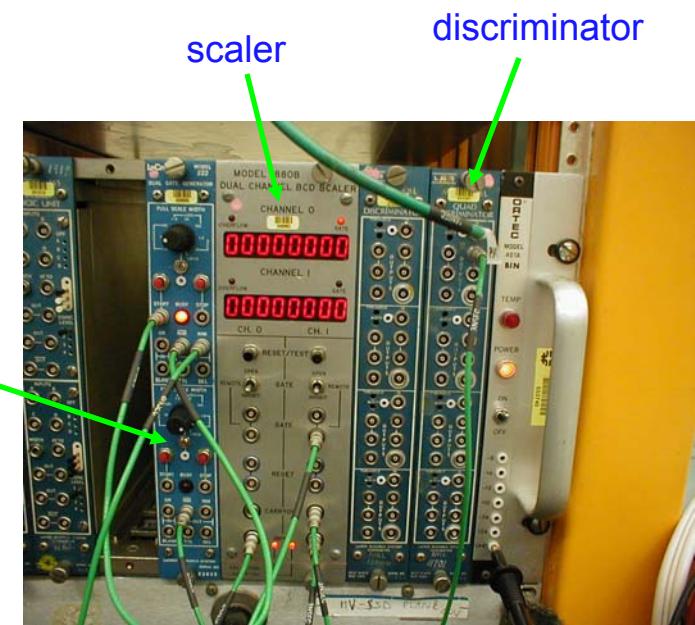

Michael Wang, Fermilab

BTeV Pixel Test Beam Meeting, 23 May 2002

gate generator

1 cm counters

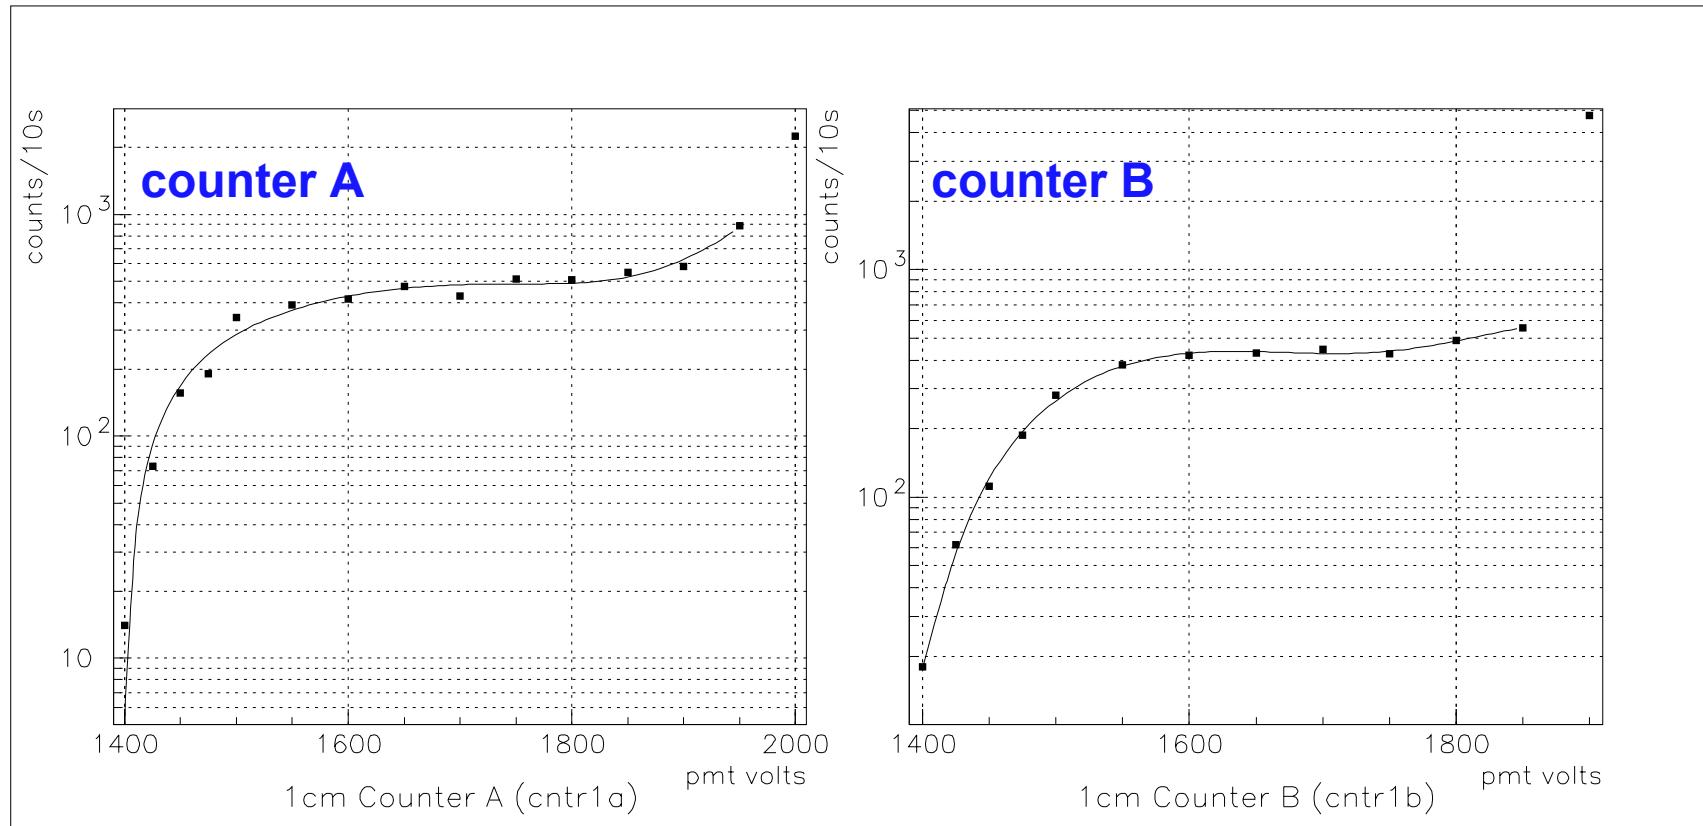

2 in counters

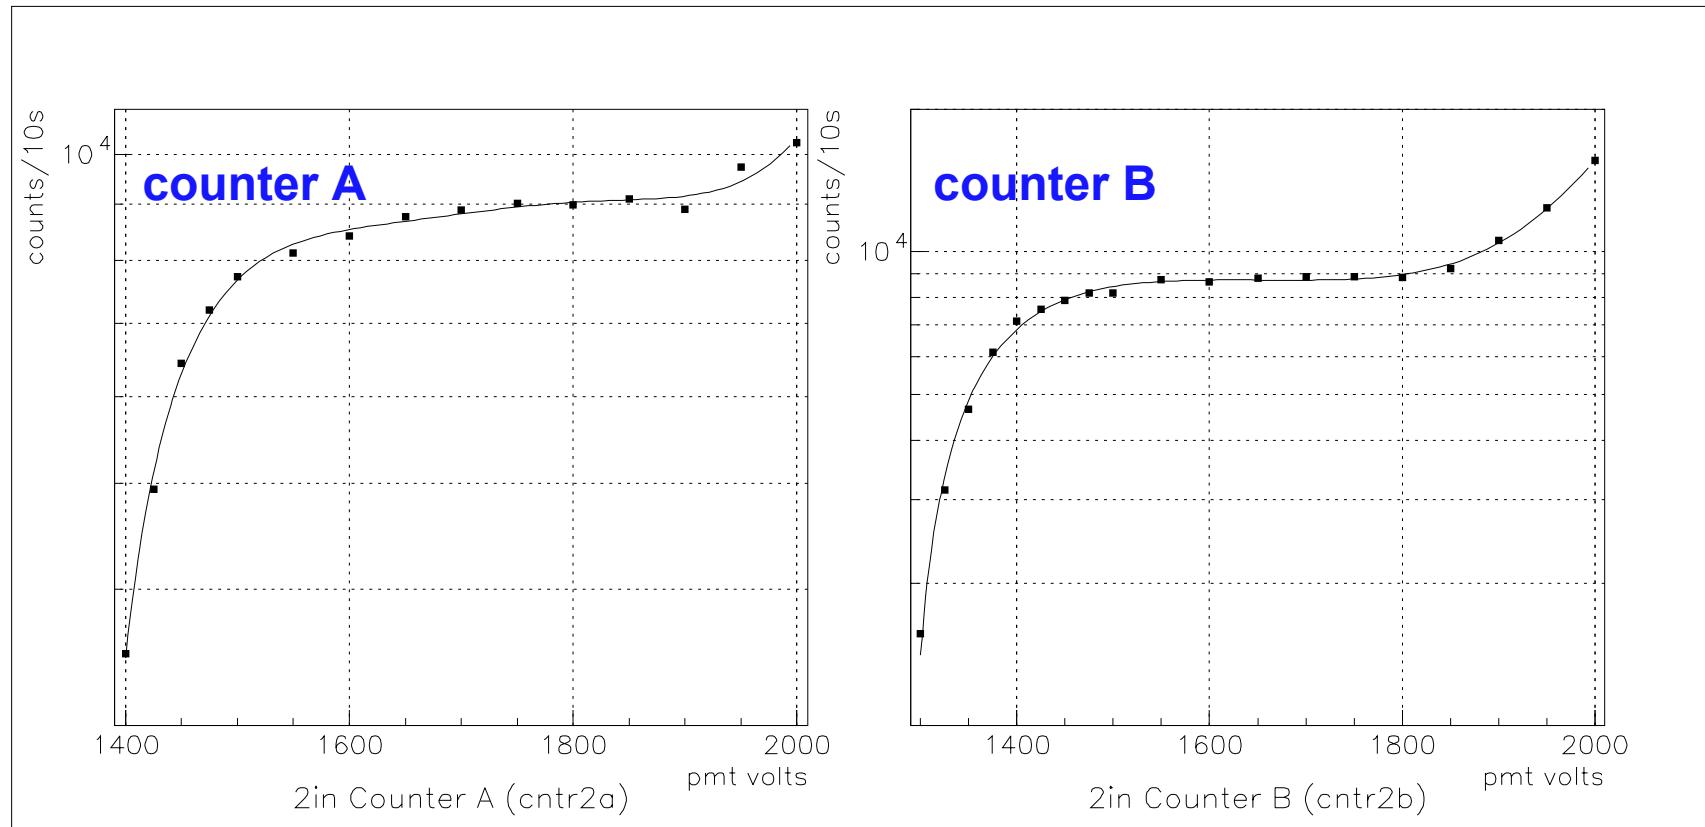

all counters ~4mm thick

6 in counters

1cm counters: counts/10 sec vs. PMT voltage

2in counters: counts/10 sec vs. PMT voltage

6in counters: counts/10 sec vs. PMT voltage
